

PUBLIC NOTICE OF APPLICATION
FOR COASTAL WETLANDS PERMIT
AND WATER QUALITY CERTIFICATION

The Harrison County Sand Beach Sand Beach Authority has filed an application with the Department of Marine Resources requesting permission to conduct regulated activities under the provision of the Coastal Wetlands Protection Law Act, Title 49, Chapter 27, Mississippi Code of 1972.

The applicant is seeking authorization for the placement of a covered pavilion on the sand beach south of U.S. Highway 90 and east of Cleveland Avenue in Long Beach, Harrison County, Mississippi. The proposed facility will replace the previous pavilion that was destroyed by Hurricane Katrina and will be located immediately south of the existing parking lot. The structure will serve as a covered shelter for beach goers, picnic area, and public meeting area. The Harrison County Long Beach Pavilion will be a timber pile supported cast-in-place concrete slab/pile cap with steel frame pavilion above. The footprint of the pavilion will be approximately 40' X 100' in area.

The applicant has requested a variance to Chapter 8, Section 2, Part III.O.1 of the Mississippi Coastal Program, which states, "Permanent filling of coastal wetlands because of potential adverse and cumulative environmental impacts is discouraged."

In compliance with Section 401 of the Federal Water Pollution Control Act (33 U.S.C. 1251, 1341), as amended by PL 95-217, the applicant will request certification from the Office of Pollution Control that the above mentioned activity will be in compliance with applicable provisions of Section 301 (33 U.S.C. 1311), Section 302 (33 U.S.C. 1312), Section 303 (U.S.C. 1313), Section 306 (U.S.C. 1316), and Section 307 (U.S.C. 1317) of the Act and appropriate requirements of the State Law.

Any person wishing to make comments or objections to the proposed regulated activity must submit those comments in writing to the Department of Marine Resources at 1141 Bayview Avenue, Biloxi, Mississippi 39530 and the Office of Pollution Control, Post Office Box 2261, Jackson, Mississippi 39225-2261 before 1:00 p.m. on the day August 2, 2010.
